OR

Owen McDonnell, MFSA, CSCSA, CLPE, CTPE
Certified by IAI
In Partnership with Jan Johnson, CSCSA, President of
Forensic Pieces, Inc.

Jan Johnson is retired from the State of Florida with over forty years of experience in law enforcement. After ten years with the F.B.I., Jan made the transition to crime scene analysis. She is recognized by the IAI as a Certified Senior Crime Scene Analyst and worked for FDLE in Pensacola, Florida for over twenty-two years. As a laboratory analyst and a crime scene examiner, her field of experience includes detection, collection, and preservation of physical evidence, bloodstain pattern interpretation, trajectory analysis, buried body and skeletal remains recovery, clandestine laboratories, and numerous other procedures involving crime scene investigations. Due to her expertise in bloodstain pattern interpretation and crime scene reconstruction and analysis, Jan has testified in hundreds of criminal cases as an expert witness. Before retiring in 2004, Jan spent three years with the Escambia County Sheriff's Office as supervisor of the Crime Scene Latent Print units, as well as overseer of ECSO's new crime lab, which she designed. Jan served in highly distinguished role of President of the IAI in 2004, Chairman of the Board in 2005, and considers herself honored to have been on the IAI's original Crime Scene Certification Board. Jan has served as the President for the Florida Division of the IAI in 2007 as well as Chairman of the Board in 2008. She continues to serve on various committees within both the IAI and FDIAl. Jan has taught numerous courses in the areas of both Crime Scene and Bloodstain Pattern Interpretation and Crime Scene Reconstruction in the United States and abroad. Including South Africa, Brazil, and Bermuda.

COURSE DESCRIPTION:

IAI CRIME SCENE CERTIFICATION PREPARATION COURSE Designed for Modular One, Two, and Four

This course is specifically designed with the goal of enabling students to pass whichever crime scene certification level examination that they are preparing for in the near future. This is a concentrated and fast moving review of either two or three books depending on the examination that you are testing to pass. Every book review will have pre-testing and post-testing composed of hundreds of extracted questions covering every chapter so that students will know their areas of strengths and weaknesses. Whether novice or experienced, this class is a must for maximizing the chances of successfully passing the examinations to improve your credentials and professionalism by becoming certified in the crime scene specialty. Students who attend this course will have a distinct advantage over those who have not attended this dedicated and intensive review course when it comes to testing for the IAI certification examinations.

As always the International Association for Identification Crime Scene Certification Board will work with the host and hosting facility to facilitate a proctor being present for the last day of class in order for the students to sit for the examination. If you wish test after this course, you *must* have your application submitted and approved at least (60) days prior to testing and be familiar with the application requirements that can be found at the following link:

https://www.theiai.org/certifications/crime_scene/requirements.php
